The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Reference Library
Baldwin Room

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Reference Library
Baldwin Room

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

CHEAP LITERATURE.

ALL the New and Popular Works in cheap form are received, by Express, from New York immediately after publication, and sold at Publishers' prices. An extensive supply of this class of Literature is always on hand; but in consequence of the ever-changing nature of such a Stock, a list cannot well be given. Care will be taken, however, to keep up the supply of such as merit more than an ephemeral popularity.

The London, Edinburgh, North-British and Westminster Quarterly Reviews, and Blackwood's Magazine, are also regularly received immediately after publication, and furnished to Subscribers at New York prices, viz: For any one of the Reviews; per Annum, \$3; for two, \$5; for three, \$7; for four, \$8; and for Blackwood, \$3. Subscription payable in advance.

The next Numbers being the commencement of New Volumes, the present is the most advantageous period for subscribing to any of these valuable Periodicals, Persons desirous of becoming Subscribers are therefore respectfully solicited to give in their Names at the earliest convenient date.
